Mooring Charges 1st July 2024

Charges are calculated upon boat type (width) and length. Mooring periods are broken down into quarters with a 5% discount being offered for payment on annual moorings paid in advance.

- Narrowboat/Cruiser without electricity £0.90 per foot/week
- Narrowboat/Cruiser with electricity £0.95 per foot/week (standing charge and usage charges apply)
- Widebeam without electricity £1.15 per foot/week
- Widebeam with electricity £1.25 per foot/week (standing charge and usage charges apply)

All above prices exclude v.a.t.

A one off payment of £50.00 is charged per key fob, with £25.00 returnable on return of the fob.

Copies of the following documents are required prior to berthing on a mooring:

- Public Liability Insurance (minimum £3 million)
- Current C&RT River Licence
- Boat Safety Certificate

All fees are due on the first day of the mooring period as per the invoice. After which a £20.00 late payment charge will be applied and will continue to be applied each month the account is outstanding.

Please note that any payments are allocated to outstanding goods and services purchased on account prior to being allocated to mooring charges.
